10 Slowear Points = 100 yen

Please note that Members are only allowed to redeem Slowear Points only up to 50% of the value of entire amount spent for purchases in Ship and/or contained in the Shopping Cart through the Website.

It remains understood that Slowear Points may not be converted into cash, substituted in any way or transferred for use, or use them to request other prizes.

6. EXCLUSIVE STATUSES

The Organising Company reserves the right to change such benefits and advantages at its sole discretion during the Term, always providing adequate information of such changes in advance to Members.

There is no expiration period to any one of the Status that a Participant may have achieved, and/or expiry of any Slowear Points that may have been earned by a Participant, save for when the Term comes to an end in accordance with Clause 2 above.

In case of fraud involving the Slowear Points' earning process, the Organising Company reserves the right to change or revoke the Status achieved by the Members.

Once registration has been completed also through the Website, the Promoter will merge this information with that provided at one of the Stores and a single Account will be created.

Member participation in the Programme is free of charge and implies acceptance of these terms and conditions.

Members who participate in the Programme using Accounts that do not comply with the policies of the Promoter or through *software* and/or systems that simulate interaction with the Site will be excluded.

4. METHODS OF PARTICIPATION – CONVERSION

Once enrolled in the Program, Members can start accumulating points for every purchase made during the Duration, in the "*Slowear Stores*" throughout the world and/or through the Website, for any amount, both at full and sales prices, of any product on sale in the Stores or on the Website (the "*Products*" and "*Purchases*"). Any restrictions and/or exclusions regarding Purchases, for the purpose of accruing Slowear Points (as defined below), will be notified to the Members by the sales staff in the Stores or via *banners* on the Website.

At each Purchase, Members will accumulate points (the "*Slowear Points*") according to the following equivalences:

€1 = 1 Slowear Point

\$1 = 1 Slowear Point

£1 = 1 Slowear Point

100 yen = 1 Slowear Point

Members who reach the minimum threshold of 2001 (two thousand one) Slowear Points may decide to convert the accrued Slowear Points into discount vouchers against the purchase price of Products sold through the Stores or on the Website (the "*Discount Vouchers*").

Accrued Slowear Points are converted into Discount Vouchers as follows:

10 Slowear Points = €1

10 Slowear Points = \$1

Members automatically acquire Citizen Status on joining the Programme, and, on the basis of the Slowear Points accrued, may immediately reach the other Status Levels as they make more Purchases. Through the Account, Members can also verify the information related to their achieved Status Levels and the services to which they are entitled.

The achievement of the Status Levels obliges the Promoter to provide the benefits and advantages specified on the Website at the page <https://www.slowear.com/slowear-club.html> and/or in the notices that will be sent to the Member during the Duration. As Members accumulate more Slowear Points, the more they advance in Status and obtain increasingly exclusive services.

The Promoter reserves the right to modify these benefits and advantages at its sole discretion during the Duration of the Programme, giving adequate advance notice to the Members and, in any case, without offering different rewards having lower value than the ones offered to the consumers by this T&C.

In any case, the Slowear Points accrued will be valid until the end of the Duration in accordance with Section 2 above.

If it is ascertained that Slowear Points have been fraudulently accumulated, the Promoter reserves the right to modify or revoke the Status Levels achieved by the Members involved.

The Slowear Points required to access given Status Levels represent only reference thresholds and do not affect the possibility of converting the Slowear Points into Discount Vouchers, as the Slowear Points are not deducted from Members' accounts on acceding to the Status Levels.
